FOR IMMEDIATE RELEASE

August 17, 2017

Enertopia Announces Appointment of New Auditor

Kelowna, BC—Enertopia Corporation (ENRT–OTCQB) (TOP–CSE) (the "Company" or "Enertopia") announces it has appointed Davidson and Company, LLP, Chartered Professional Accountants, as its new independent registered public auditing firm for its fiscal year ending August 31, 2017.

There were no reservations nor any modified opinions expressed in the Former Auditor's reports on any of the Company's financial statements relating to the period commencing at the beginning of the Company's two most recently completed financial years and ending on the date of resignation. In the opinion of the Company's Audit Committee and Board of Directors, there are no reportable events between the Company and the Former Auditors. Enertopia thanks its former auditing firm for their work, and looks forward to its new relationship with Davidson and Company LLP. Shareholders will be asked to ratify the appointment of Davidson and Company, LLP, at the next annual general meeting of the Company.

About Enertopia

Enertopia is concurrently working with water purification technology partner GWT using patent pending technology that is believed able to recover Lithium from brine solutions. The companies are currently in the planning phase for a much larger and expanded phase two of bench tests with the goal of achieving battery grade Lithium Carbonate. This is expected to result in the buildout of a pilot plant that will be based on positive results.

Enertopia's shares are quoted in Canada with symbol TOP and in the United States with symbol ENRT. For additional information, please visit www.enertopia.com or call Robert McAllister, the President at 1.250.765.6412

This release includes forward-looking statements within the meaning of Section 27A of the Securities Act of 1933, as amended, and Section 21E of the Securities Exchange Act of 1934, as amended. Statements which are not historical facts are forward-looking statements. The Company makes forward-looking public statements concerning its expected future financial position, results of operations, cash flows, financing plans, business strategy, products and services, potential and financing of its, mining projects, Lithium brine recovery technology, competitive positions, growth opportunities, plans and objectives of management for future operations, including statements that include words such as "anticipate," "if," "believe," "plan," "estimate," "expect," "intend," "may," "could," "should," "will," and other similar expressions that are forward-looking statements. Such forward-looking statements are estimates reflecting the Company's best judgment based upon current information and involve a number of risks and uncertainties, and there can be no assurance that other factors will not affect the accuracy of such forward-looking statements, foreign exchange and other financial markets; changes of the interest rates on borrowings; hedging activities; changes in commodity prices; changes in the investments and expenditure levels; litigation; legislation; environmental, judicial, regulatory, political and competitive developments in areas in which Enertopia Corporation operates. There can be no assurance that the funds raised will have any positive impact on Enertopia. There is no assurance that the current bench test will be successful and other projects will be acquired. The User should refer to the risk disclosures set out in the periodic reports and other disclosure documents filed by Enertopia Corporation from time to time with regulatory authorities.
