**NEWS RELEASE**

**McLAREN RESOURCES INC.**

**SHARE LISTING ANNOUNCEMENT**

**FOR IMMEDIATE RELEASE, October 1, 2007, Toronto, Ontario**

McLaren Resources Inc (CNQ:MCLN) today reported that its shares are listed and are trading on the Frankfurt Stock Exchange. The ticker symbol on the Frankfurt Exchange is “3 ML”. Shares of McLaren also trade in Canada on the Canadian Trading and Quotation System Inc. (“CNQ”) under the trading symbol “MCLN”.

McLaren Resources is a hydrocarbon exploration company, currently focused on its North Sea gas interests. McLaren and its partners Ascent Resources plc (AIM:AST) of the UK and Energie Beheer Nederland BV (“EBN”), the Dutch state-owned oil and gas company, have initiated an exploration program on four blocks aggregating 825 sq km in the highly prolific Dutch sector of the North Sea. McLaren’s interest in these exploration blocks is 27% and the exploration licences extend to October 2010. The current work program focuses on data collection and interpretation with the aim of defining specific drill targets.
