

GEMINA LABORATORIES LTD.

News Release

June 30, 2022

**GEMINA ANNOUNCES CLOSING OF PROSPECTUS SUPPLEMENT OFFERING
AND UPDATE TO CONCURRENT NON-BROKERED PRIVATE PLACEMENT**

Vancouver, British Columbia – June 30, 2022 – Gemina Laboratories Ltd. (the “**Company**” or “**Gemina**”) (CSE: GLAB) (FRA: 817) is pleased to announce that the Company has closed its previously announced "commercially reasonable best efforts" offering by way of prospectus supplement (the “**Offering**”). Pursuant to the Offering, the Company issued 5,626,735 units of the Company (“**Units**”) at a price of \$0.60 per Unit (the “**Unit Price**”) for aggregate gross proceeds to the Company of approximately \$3.37 million. The Offering was completed pursuant to an agency agreement dated June 23, 2022 (the “**Agency Agreement**”) with Leede Jones Gable Inc. (the “**Agent**”).

Pursuant to the Agency Agreement, the Agent has the option to increase the size of the Offering by up to an additional 1,250,100 Units (the “**Over-Allotment Option**”), exercisable in whole or in part at any time for a period of 30 days after the date hereof (the “**Closing Date**”).

In connection with the Offering, the Agent received a cash commission of \$236,322.87 and an aggregate of 393,871 warrants (each an “**Agent Compensation Warrant**”). Each Agent Compensation Warrant is exercisable to acquire one Share (as defined below) at the Unit Price for a period of 60 months following the Closing Date.

Each Unit issued pursuant to the Offering consists of one common share in the capital of Gemina (a “**Share**”) and one Share purchase warrant (a “**Warrant**”). Each Warrant entitles the holder thereof to purchase one Share at a price equal to \$0.80 for a period of 60 months following the Closing Date, subject to acceleration in certain circumstances. The Warrants are governed by the terms of a warrant indenture (the “**Indenture**”) dated June 30, 2022 between the Company and Computershare Trust Company of Canada as warrant agent, a copy of which will be available under the Company’s profile at www.sedar.com. For further details regarding the Warrants, please refer to the Indenture.

Certain insiders of the Company acquired an aggregate of 99,998 Units pursuant to the Offering, which is considered a related party transaction within the meaning of Multilateral Instrument 61-101 – *Protection of Minority Security Holders in Special Transactions* (“**MI 61-101**”). The Company is exempt from the formal valuation and minority shareholder approval requirements imposed by MI 61-101 with respect to the insider participation in the Offering pursuant to the exemptions in section 5.5(a) and 5.7(1)(a) of MI 61-101, as neither the fair market value of the Units acquired by the insiders nor the consideration paid therefor, exceeds 25% of the Company’s market capitalization.

The Offering was completed pursuant to a prospectus supplement dated June 23, 2022 to the Company’s short form base shelf prospectus dated January 10, 2022 in the provinces of British Columbia, Alberta, and Ontario. The Company anticipates using the proceeds of the Offering to finance product development and potential strategic acquisitions, and for research and development, working capital and general corporate purposes.

This press release does not constitute an offer to sell or the solicitation of an offer to buy securities, nor will there be any sale of the securities in any jurisdiction in which such offer, solicitation or sale would be unlawful prior to the registration or qualification under the securities laws of any such jurisdiction.

Private Placement

The Company is also pleased to provide an update on the anticipated timing for closing its non-brokered private placement for up to 1,666,667 Units (the “**Private Placement**”), which is currently expected to close during the first week of July. All securities to be issued pursuant to the Private Placement will be subject to a four month hold period from the date of issue.

The Company anticipates using the proceeds of the Private Placement for working capital and general corporate purposes.

On Behalf of the Board of Directors

John Davies
CEO
Gemina Laboratories Ltd.

About Gemina Laboratories Ltd.

Gemina Labs is a biosensor and diagnostic company with a transformative, patented, proprietary chemistry that powers next-generation testing platforms for a wide range of pathogens that affect human health and wellness. Cautionary Statements Regarding Forward-Looking Information:

This news release contains forward-looking information within the meaning of Canadian securities laws. Such information includes, without limitation, information regarding the terms of the Offering and the intended use of proceeds from the Offering. Although Gemina believes that such information is reasonable, it can give no assurance that such expectations will prove to be correct.

Forward looking information is typically identified by words such as: “believe”, “expect”, “anticipate”, “intend”, “estimate”, “postulate” and similar expressions, or are those, which, by their nature, refer to future events. The Company cautions investors that any forward-looking information provided by the Company is not a guarantee of future results or performance and that such forward-looking information is based upon a number of estimates and assumptions of management in light of management’s experience and perception of trends, current conditions and expected developments, as well as other factors that management believes to be relevant and reasonable in the circumstances, as of the date of this news release including, without limitation, that the Company will be able to utilize the proceeds of the Offering in the manner intended; that the Private Placement will close and on the anticipated timeline; that general business and economic conditions will not change in a material adverse manner; that applicable regulatory approvals will be received; and assumptions regarding political and regulatory stability and stability in financial and capital markets.

Forward-looking statements involve known and unknown risks, uncertainties and other factors which may cause the actual results, performance or achievements of the Company to differ materially from any future results, performance or achievements expressed or implied by the forward-looking statements. Such risks and other factors include, among others: the risk that the Company may not be able to utilize the proceeds of the Offering in the manner intended; that the Private Placement may not close or may not close on the anticipated timeline;

the state of the financial markets for the Company's securities; recent market volatility and potentially negative capital raising conditions resulting from the continued COVID-19 pandemic and risks relating to the extent and duration of such pandemic and its impact on global markets; the conflict in Eastern Europe; the Company's ability to raise the necessary capital or to be fully able to implement its business strategies; and other risks and factors that the Company is unaware of at this time

The forward-looking statements contained in this news release are made as of the date of this news release. The Company disclaims any intention or obligation to update or revise any forward-looking statements, whether as a result of new information, future events or otherwise, except as required by law.

The securities referred to in this news release have not been, nor will they be, registered under the United States Securities Act of 1933, as amended, and may not be offered or sold within the United States or to, or for the account or benefit of, U.S. persons absent U.S. registration or an applicable exemption from the U.S. registration requirements.

This news release does not constitute an offer for sale of securities, nor a solicitation for offers to buy any securities.
